THRU: Dr. Robert A. Ingram, MD
Director of Medical Services

STAT FROM: [REDACTED]
DDA/EEO Officer

SUBJECT: Briefing of DDA Managers Concerning the
Understanding and Use of PATB Assessments

1. On 6 August 1981, I met with [REDACTED] and Mr. Hart to discuss proposed briefings by your staff with DDA Managers in the use and interpretation of PATB assessments. We agreed in principal that these briefings would be most helpful to DDA Managers at all levels who utilize the applicant selection process. We feel that these briefings will assist all of us involved in the selection process to more uniformly understand the meaning of key words and expressions, thereby adding a greater degree of consistency in this important phase of the DDA's selection process.

2. I plan to act as contact person for the proposed briefings. Please contact me, or in my absence, [REDACTED]
